

## ADVANCED DOG PACKAGE

Annual wellness doesn't stop when your pet gets older. In fact, senior dogs and dogs with special medical concerns need more care as they age. Vaccinations help keep them healthy, and blood tests can alert us to issues before they become problems. Our Advanced Dog Package includes:

- **Wellness exam**
- **DAPP booster vaccination**
- **Rabies vaccination and tag**
- **Heartworm test**
- **Fecal test**
- **Complete blood count test**
- **Organ chemistry test**
- **Urinalysis**
- **T4 test for thyroid**

# Providing Excellence in Veterinary Care

The Animal Medical Center of Mid-America (AMCMA) is devoted to the health and well-being of our animal clients, as well as providing the best possible experience for

our patients through stress

reduction, pain relief,

and individualized

treatment plans.

Over 30 veterinary

professionals provide a

wealth of knowledge and

personal service.

**Our Wellness Packages are tailored to your pet's lifestyle and needs.**

Purchasing a Wellness Package at AMCMA has great benefits! Not only is your pet getting the best healthcare available, you can also enjoy:

**5% discount off the purchase of a 12 month supply of heartworm and flea/tick preventative**

**An additional 5% in Paw Perks rewards to be used at a future visit**

## PUPPY PACKAGE

Get your puppy off to the right start with our **Head Start Puppy Package!** Puppies need necessary vaccinations and medical care to help them grow healthy and strong. After your Head Start Package visits are scheduled and completed on time, you are eligible for a **free** spay or neuter for your puppy through our SNIP program. The Head Start Package includes:
