

ADVANCED CAT PACKAGE

Annual wellness doesn't stop when your pet gets older. In fact, senior cats and cats with special medical concerns need more care as they age. Vaccinations help keep them healthy, and blood tests can alert us to issues before they become problems. Our Advanced Cat Package includes:

- **Wellness exam**
- **FVRCP booster vaccination**
- **Rabies vaccination and tag**
- **Fecal test**
- **Complete blood count test**
- **Organ chemistry test**
- **Urinalysis**
- **T4 test for thyroid**
